

HOW IT WORKS

Submit your event once to our local community calendar powered by Evnt and promote it to a myriad of relevant and targeted event listing sites based on your event's category and location.

When you **UPGRADE** your event to a **Premium Listing** on our calendar you get:

A customizable event listing on our local community calendar

Access to our local ticketing resource powered by Evnt Ticketing

A featured event spot on our calendar until your event is over

A detailed event progress report to track your event's website and ticketing link clicks

Syndication of your event to relevant and targeted event listing sites and audiences

An enlarged map pin with an image on our calendar

Our unique 5-tier price plan and subscription options mean that we have a price point for everyone!
